Executive Summary Estero Council of Community Leaders Meeting September 14, 2012

Rodrigues Speaks to ECCL

Newly-elected State Representative Ray Rodrigues spoke briefly to the ECCL membership. He credited the success of his campaign to the many volunteers who, along with him, put in over 1400 hours knocking on doors and speaking with residents of the community. He stated he intends to work closely with the local delegation in order to get things accomplished. He will continue to attend ECCL meetings and be available to listen to our issues and concerns.

Estero Fire Rescue (EFR)

EFR is offering flu vaccine clinics to the community. You may make arrangements to have paramedics from EFR come to your community to administer the shots by calling Susan Lindenmuth at 390-8000.

2012-2013 Proposed EFR Budget: The proposed operating budget expenditures are 5.9% more than last year's total operating expenditures. There are currently 62 employees, with three firefighter positions available. Eighty per cent of their calls are medically related, i.e., accidents, etc. For further information about the EFR, go to http://esterofire.org/.

Estero Leadership Transition

Don Eslick announced earlier this year this would be his last year to serve as Chairman. He will continue to serve the ECCL in an emeritus capacity after January.

The membership voted in the 2013 executive committee. The new officers will be:

Chairman: Nick Batos

Financial Director: Bob Lienesch Transportation Director: Jim Boesch

Communications Director: Marilyn Edwards

Environment Director: Phil Douglas

Community Planning Director: Roger Strelow Government Relations Director: John Goodrich

Florida Water & Land Legacy

Since 2009, funding for such conservation programs like Florida Forever has been slashed by 97.5 percent. The state's leading conservation organizations are endorsing the Florida Water and Land Conservation Amendment. This statewide campaign would establish a dedicated funding source for land conservation, management and restoration

through a state constitutional amendment. The funding would come from one-third of the existing documentary stamp tax revenues paid to the state any time real estate is sold.

One million signatures are required for this amendment to go before the voters in November 2014. The ECCL representatives voted to help organize a petition drive.

Transportation

Traffic signal at US 41/Sweetwater Rand Blvd. intersection: FDOT will meet with the ECCL Transportation Subcommittee in mid-October for an update on the proposal for a full working traffic signal at this location.

Improved Access/Egress from Three Oaks Parkway Post Office: Plans are complete and construction will start after October 1.

Right turn lane from Williams Road onto US 41: The designs are complete. LDOT will install an 11-foot right turn lane with a 4-foot bike lane. The project is ready to go once the funds have been approved in October.

Right turn lane from Estero Parkway onto Three Oaks Parkway: Designs have been completed. If funds are approved in October for this project, it could be completed in early 2013.

Estero Community Planning

Wal-Mart status: Construction of the US 41/Estero Parkway Wal-Mart is scheduled to start next summer (2013) and open one year later (2014). It will include a drive-through pharmacy.

Coconut Point outdoor music "noise" complaints: Some residents have complained about noise (music) coming from the outdoor restaurants. Simon has tried to address this by setting a standard that limits the sound of the music so that it should not be heard beyond 2500 feet of the property line. The Estero Community Planning Panel will enter into a formal agreement with Simon if the Board of Lee County Commissioners does not include it in their decision.

In-ground signage ordinance: When a commercial developer applies to Lee County for zoning of an in-ground sign, the Estero Design Review Committee must also review the drawings. This process was just recently approved by the Board of Lee County Commissioners.

The next ECCL meeting will be held at 10 a.m., Friday, October 12 at the Estero Community Park.

For more information about the ECCL, go to http://esterofl.org.
