

Half-Cent Sales Tax Informational Meeting

Thursday, October 11, 2018

5:00 p.m. – 6:00 p.m.

Three Oaks Elementary Media Center

We invite all parents/community members to attend our upcoming School Advisory Council Informational Meeting on Thursday, October 11th at 5:00 p.m. in our school Media Center. School Board member Mrs. Chris Patricca will be the featured speaker. The focus of Mrs. Patricca's presentation will be the Half-Cent Sales Tax Referendum, which will be on the November ballot. Mrs. Patricca will provide information to our school community about the school district's capital funding needs and the need for passing this important sales tax referendum. We urge all interested family/community members to attend this important meeting to learn more about how our school district is funded, the deficit in capital funding, and the increasing growth/demands of our school district.

Please RSVP to the school office (267-8020) by Tuesday, October 9th if you plan to attend.

Jody Moorhead,

Principal
